Expressive Arts

People Who Help Us

Drama

We are very thankful to the people around us who are helping us during this time.

Using your **drama** skills, can you act like:
 a paramedic a postal worker
 a nurse a teacher
 a firefighter a police officer
 a bus driver a refuse collector

Think about your body language, your voice and what words you might say!

Modern Languages

Last week we revised our colours in French.

Can you design a poster helping to teach younger children their colours in French?

You could use paint splodges, balloons, shapes, flowers, cars...

Use your imagination! Take a photo and post it on your class dojo!

Religious Education

Ramadan

The **Islamic** holy month of Ramadan began 2 weeks ago.

Last week we focused on fasting. Did you find out about fasting?

Muslims also use Ramadan as a time for doing *good deeds*.

Have you ever done a good deed for anyone?

Write and **draw** about that time. Who did you help? What did you do? How did it make you feel?

Science/Social Studies

Plants and Flowers Hunt

We have been thinking about living things and Spring.
Ask an adult if you can go on a plants and flowers hunt together in either your garden or your local environment.

See how many plants and flowers you can spot. Can you name them? Can you draw them or take photographs so you can learn about them when you get home?

Take the Plants and Flowers Hunt sheet provided and see how many you can tick off. Draw any extra plants or flowers you find.

Extra challenge: research the plants and flowers you spot and make a fact sheet!

Technology

Recycling Challenge

There are many things we can recycle.
Draw a picture of a house like the one below with 4 rooms:
living room, bedroom, bathroom, kitchen.
Draw different objects that can be recycled in each room.
